

## Goal Statement

*"It is February 2021, MAWC and We have added 14 new partners to our team! We are earning \$1500 a month and On our way to \$1500 a Week!! I have no credit card debt! I am driving a new Jeep Wrangler. My life and/or marriage is happier without financial pressure. My family and I spend more quality time together and pursue interests we all enjoy". I have accomplished this by TRUSTING My Team, Showing the Business System 1 time per week and adding a new customer every week. I recognize that this will require developing some New Success Habits! I will do all of this to accomplish my reason "WHY"*
